SUMMARY

As a highly motivated Front-End Developer,
My passion for web development has driven me to
Seek out opportunities to grow my skills and knowledge.

I have honed my skills in front-end development,
including proficiency in HTML, CSS, JavaScript, Typescript,
and various front-end frameworks like Angular.

I am seeking a progressive organization
That will provide me with the opportunity to apply my
technical skills and continue learning and growing as a
Front-End Developer.
